

South West Ag Partners Inc. is a progressive agribusiness serving producers throughout Southern Ontario. Our involvement in all aspects of the grain and crop inputs business combined with our solid reputation built on integrity and quality has secured our company a place amongst the leaders in the industry.

At this time, we are accepting resumes to fill the position of Business Services Advisor. Based out of our business support office in Chatham, this position will be of particular interest to candidates who are currently working in the financial/credit management industry or working for a lending institution and are looking for an exciting challenge that the Agricultural sector offers.

As part of the team offering our full service package, this role is accountable for developing, selling and servicing business planning solutions to strengthen business practices for our customers. This includes working one on one with farmers, leading them through all aspects of the growth management process including strategic planning, budgeting and other key functions that affect overall business success.

Knowledge/Skill requirements include:

- A business degree (B.Com, BA with a major in a business related field)
- 3 to 5 years of experience in a business planning/credit management role
- A strong aptitude and demonstrated ability for continuous learning
- A strong understanding of financial statements, financial planning and credit management
- Excellent communication, interpersonal and organizational skills
- Proven delivery of excellent customer service
- The ability to effectively work within a team, showing initiative and creativity
- Willing to obtain or currently have the CAFA (Canadian Association of Farm Advisors) designation
- Experience in agricultural business practices

Resumes will be accepted via fax: 519-380-0777 Attn: Samantha Evers
