

Grain Marketing Advisor

South West Ag Partners Inc. is a progressive agribusiness serving producers throughout Southern Ontario. Our involvement in all aspects of the grain and crop inputs business combined with our solid reputation built on integrity and quality has secured our company a place amongst the leaders in the industry.

At this time, we are accepting resumes to fill the position of Grain Marketing Advisor. Based out of our business support office in Chatham, this position will be of particular interest to candidates who are seeking a very unique, dynamic and fast-paced job and are looking to join a company that has their focus on the future.

The markets that we serve are in a highly competitive area that requires an experienced grain marketer that wants to play a leading role in the grassroots of the grain industry. In this role, you will work closely with local producers and provide them with first-rate customer service. As an advisor, you will focus on building and executing a grain marketing plan, while working to minimize the producers risk throughout the marketing process. You will offer a comprehensive package that will cover their individual needs. Crops in this area vary from corn, soybeans and wheat to tomatoes, peppers and sugar beets.

Our ideal candidate will be very ambitious, energetic and goal-oriented. Along with being a good team player, the candidate will need to have excellent communication skills, a degree in Business/Agriculture or equivalent, and three years in the industry.

If you work with a high level of confidence in your grain marketing and communication abilities, we want to hear from you.

Resumes will be accepted via fax: 519-380-0777 Attn: Samantha Evers
Or via email: Samantha.Stevens-Evers@southwestag.ca
