

Position: Seed Products Manager

South West Ag Partners Inc. is a progressive agribusiness serving producers throughout Essex, Kent and Lambton counties. Our involvement in all aspects of the grain and crop inputs business combined with our solid reputation built on integrity and quality has secured our company a place amongst the leaders in the industry.

At this time, we are seeking a professional to join our team in the position of **Seed Products Manager**.

This position will oversee and manage all areas of South West Ag Partners seed business as it relates to branded, proprietary and food grade products. Duties and responsibilities will include sales, support, training, promotion, testing, ordering as well as inventory management.

Our ideal candidate will have a positive attitude while being a strong team player with the following qualifications:

- A minimum of 5 years related experience or a related degree/diploma.
- Strong knowledge of seed traits and new seed technologies.
- Advanced knowledge of crop production and field agronomy.
- Demonstrated success in selling a technically based product.
- Excellent organizational, communication and interpersonal skills.
- Ability to obtain or have obtained a Certified Crop Advisor designation.

Resumes will be accepted via fax: 519-380-0777 Attn: Samantha Evers

Or email: Samantha.Stevens-Evers@southwestag.ca

We thank all applicants for their interest and will contact those candidates under consideration.

South West Ag Partners is an Equal Opportunity Employer and welcomes applications from men and women including members of visible minorities, Aboriginal peoples, and persons with disabilities.
